GAME DESCRIPTION:

Gunfire Reborn is a level-based adventure game featuring FPS, roguelite, and RPG elements. Players can control unique heroes—each with different abilities—as they adventure through procedurally-generated levels and pick up randomly-dropped weapons. Play *Gunfire Reborn* alone or cooperatively with up to three other players.

Every level is random; each new restart is a brand-new experience. You will meet different heroes and experience new weapons, items, checkpoints, and unique combat rhythms throughout the game.

KEY FEATURES:

DISCOVER OVER 100 GAMEPLAY ENHANCING ITEMS

Each new run provides an opportunity to upgrade your gameplay through the looting of new weapons and scrolls. While new weapons are dropped by enemies, scrolls can be purchased from peddlers, found inside vaults, or by buying, trading or sacrificing health at a Peculiar chest.

SIX UNIQUE ANIMAL HEROES

Each of the six available heroes have their own unique abilities and playstyle. Upgrade and pair their abilities with weapons and scrolls to find your winning combo.

UNLOCK NEW ENVIRONMENTS AND CHALLENGES

Defeat all the procedurally generated levels within each environment, and its final boss to unlock new areas and challenges. Each new Environment contains its own procedurally generated levels, enemies, and vaults where you can discover new weapons and scrolls.

2-4 PLAYER ONLINE CO-OP

Challenge yourself in single-player or, recruit up to 3 friends to help you reach the final boss.
