**Enter the Dark Fantasy World of *Wo Long: Fallen Dynasty*,
Team NINJA's Next Great Masocore Experience**

Above the Darkened Kingdom, a Dragon Rises!

BURLINGAME, Calif. – June 14, 2022 – KOEI TECMO America and famed developer Team NINJA (Nioh, Ninja Gaiden), are proud to reveal the first details about its epic new supernatural Three

Kingdoms thriller, ***Wo Long: Fallen Dynasty***. Currently in development for the Xbox Series X|S, Xbox One, PlayStation®5, PlayStation®4, and on PC via Windows and Steam®, the game is scheduled to release in early 2023 and will be available day one to Game Pass subscribers on both Xbox and Windows PC.

Wo Long: Fallen Dynasty follows the dramatic, action-packed story of a nameless militia soldier fighting for survival in a dark fantasy version of the Later Han Dynasty where demons plague the Three Kingdoms. Players fight off deadly creatures and enemy soldiers using swordplay based on the Chinese martial arts, attempting to overcome the odds by awakening the true power from within.

A joint creation by Team NINJA producers Fumihiko Yasuda (Nioh) and Masaaki Yamagiwa (Bloodborne), game features include:

1. Demons in the Kingdom

A dark fantasy set during the chaotic Three Kingdoms period, the narrative vividly tells the tale of a militia soldier's strenuous fight for survival during a Later Han Dynasty infested with demons. It's madness in the Three Kingdoms like never before!

2. Awaken the Power Within

Defeat deadly enemies to boost morale and awaken the power from within! Overcome adversity through unique new strategies, including battle styles based on the "Five Phases".

3. Live by the Sword

Renowned for ruthless strikes that can change the tide of battle in an instant, sword practitioners of the Chinese martial arts gracefully change pace as they shift between offensive and defensive maneuvers. Overwhelm opponents with a flurry of force in a series of intense and bloody battles while learning the precision and skill necessary to become a true master of the sword.
