Best Value in Games & Entertainment | World's Most Powerful Console

Welcome Xbox One X to the Xbox One Family where it joins Xbox One S, the best value in games and entertainment.

Xbox One X will begin rolling out to all Xbox One markets starting Nov. 7 for \$499 USD. Xbox One X is the world's most powerful console—40% more power gives you an immersive true 4K gaming experience. Games play better on Xbox One X. Play the biggest blockbuster games like *Star Wars* Battlefront II and FIFA 18 as well as over 100 console exclusives with Xbox One. With Xbox One Backward Compatibility, play hundreds of Xbox 360 games and soon, for the first time, some classic Original Xbox games on Xbox One. Xbox Play Anywhere gives you the freedom to suspend and resume your game whenever you want—or just pick up where you left off on another Xbox One or Windows 10 PC.

What's more, both Xbox One S and Xbox One X are built to take advantage of 4K entertainment, which includes 4K Ultra HD Blu-ray™, 4K video streaming and HDR. Join your friends and connect with a massive community of players on Xbox Live, the most advanced multiplayer network and start gaming today on Xbox One where all your games and accessories work on both Xbox One S and Xbox One X.
