

E3 2015 XBOX VIDEO ASSETS

YouTube Embed Codes

IMPORTANT: Videos hosted through the Xbox YouTube channel can be embedded on your website (links to all videos are provided below) but should not be directly recorded, ripped and/or downloaded, and re-uploaded through your YouTube channel or proprietary video players. Other video assets, including gameplay b-roll, are available for download through the Xbox Press Site (news.xbox.com/media) and may be used in any capacity, including YouTube channels and proprietary video players. If you have any questions, please contact the Xbox PR team (xboxpress@assemblyinc.com) more details.

E3 2015 Xbox Media Briefing

To access embed codes for all briefing videos, please use the playlist link below. All briefing videos will be public after they are shown on stage, except for gameplay videos. Those will be live and available shortly after the briefing. The embed code is available as soon as a video is public.

Please look for an update following the Xbox briefing encapsulating all of the video information for quick reference as well.
